Community

- a. **Community Policing/Neighbourhood Watch:** David Hutt stated that there was no report from Lily Hope-Frost. He commented on the ongoing level of break-ins, encouraging residents to remain vigilant and to keep doors, windows and out buildings secure.
- b. **Update of Avon Dassett welcome packs** – Trevor Gill has started to contact local suppliers and businesses to confirm their details. Twenty have been contacted so far. It was confirmed that new welcome packs would be printed off by ADPC Councillors and presented to new residents. Trevor felt that it would take 3-4 months to update the current pack which would then be loaded onto the ADPC website. The document will be made available in a pdf format.
- c. **Playground** – Trevor Gill stated his willingness to tackle some of the easier repairs to the play area. The ROSPA report was received last month with nothing of a high risk listed. Trevor will look through the report, assess what is needed, list materials and cost them out in order to be considered at the next ADPC meeting. **ACTION: Trevor will assess what repairs are needed in the play area, list materials and cost them out for considered at the next ADPC meeting.**
- d. **Jubilee Event:** Jill Burgess gave an update on the organisation of the Jubilee Event on the 4th June, starting at 3pm. The Avon has been identified as the only realistic venue for the event. Due to budget restraints, the event will be simple. Fundraising is underway. Any surplus monies at the end of the event will be donated to a charity with the patronage of the Queen.

Sandwiches and scones will be available to residents free of charge during the afternoon. A meal of bangers and mash will be available for £3 in the evening. For clarity, full expenses will be published after the conclusion of the event.

Clerk sought clarification of ADPC's involvement with the event. David Hutt stated ADPC's support for the event, which was the unanimous view of Councillors. ADPC will help where it can but cannot offer financial support due to funding pressures. He went on to thank Jill Burgess and Daniel Robertson for their efforts so far. Jill Burgess departed the meeting at this point.

- e. **PO computer:** Chris Williams confirmed that there are no mobile Post Offices operating in South Warwickshire. Discussion took place on the fire risk posed by the PO computer storage. The Clerk confirmed having spoken to PO Head Office who gave assurances on fire safety and explained that PO computer had to remain on in order to receive ongoing updates. It was decided that the Clerk would seek a meeting with the franchisee of the PO in order to progress their proposed installation of a suitable work-top cupboard with adequate ventilation for the computer. The meeting would be open for Councillors to attend. **ACTION: Clerk will seek meeting with PO franchisee and Councillors to progress installation of a suitable work-top cupboard.**

Daniel Robertson continuing to look into cost of frost stat for the PO area of the Reading Room.

- f. **Stratford Core Strategy** – Trevor Gill recently attended a meeting. Consultation ended on Friday and the matter remains a discussion document. Councillor Williams offered a précis of the situation which affects levels of new housing and its location. 35% of new housing has to be social housing and located in settlements with existing infrastructure such as schools and bus services. At present, the strategy does not affect Avon Dassett. Trevor will monitor situation.

The update to the Parish Plan was discussed as part of this item. It was concluded that the update could wait until the autumn of 2012.

Roads

Traffic, Roads and Drains: Daniel Robertson reported that the manhole covers had been replaced but that the potholes have still not been repaired despite being reported several weeks ago. **ACTION: Daniel to expedite repairs of potholes with Patch Byrne, highlighting the potholes at the top of the hill.**

Environment/Maintenance

d) St John's: Diana Biddlestone confirmed receipt of further donations: £50 from Jill Burgess and Steve Mullane; £100 each from Gina and Rupert Forsythe and James and Georgina Runnicles; and the Clerk confirmed a further £25 has been received from Mr and Mrs Butler. Total to deposit £275.00

Chris Nugent had raised concern over the transfer of funds from the Fete Committee to WCC for the funding of the steps. An agreement has been drawn up and circulated amongst Councillors. The PC unanimously agreed its content and the Chairman, David Hutt, signed the document. **ACTION: Diana Biddlestone to return Funds Transfer Agreement to Chris Nugent.**

Diana confirmed that she has been keeping a complete record of financial transactions and project commitments.

It was agreed that small plaque should be attached to the steps to commemorate the sponsor although some councillors expressed concern at the possible cost. Diana explained that some sponsors may be willing to pay extra for this and others may not wish to be identified in this way. Diana is looking into the most economic way of sourcing the plaques.

Opening Ceremony: Will take place on Sunday 2nd June. Diana explained that Steve Sartori of the Avon Public house will offer a buffet luncheon for up to 15 sponsors, free of charge. There will be a small charge for other participants. This will be followed by the public opening of the steps. The opening will commence with bell ringing then Crispin Truman of the Churches Conservation Trust will make a speech and it is hoped that the oldest resident and one of the younger children from Avon Dassett will be present to cut the ribbon. Diana is currently locating people to sing and play at the ceremony. Jill Burgess will be organising a photographic display of village history in the church and there will be a children's art display.

Residents are being asked to put plant pots alongside the steps to decorate the area and Councillor Williams will take a commemorative photograph of the event.

Councillor Williams stated that he has received assurances that the repairs to the steps will be completed on time, before the jubilee weekend at the beginning of June.

e) Upkeep of 'green areas': Contractor had not been able to cut the cemetery area due to sheep grazing in the car-park. Arrangements have now been made for the sheep to be moved before the next cut. Daniel confirmed that the Cemetery Warden had cut the cemetery area himself.

Discussion took place on the poor state of the Village Green. Parking and manoeuvring of vehicles continues to churn the grass. **ACTION: Daniel Robertson will put grass seed on the village green.**
