Kerbing – There had still been no response to the query on the kerbing quote, although it had been promised to be faxed to the chairman. It was understood that the road was to be resurfaced in September, so it was felt no action should be taken until the road had been redone. This led on to a discussion of the provision of a disabled toilet in the Reading Room. I. Seccombe felt it may be possible to obtain a grant, therefore it was agreed that L. Hope-Frost would speak to Stratford DC regarding the problem. A. Fraser asked about the parish plan, and as there had been 5 volunteers it was agreed to ask them to requestion villagers on their suggestions for improving the village. A. Fraser offered to speak to Rob Husband.

- c) The pictures for the flag competition should be passed to L. Hope-Frost on the day of the fete.
- d) It was agreed to go back to Thelma Watts and ask if she could do a village scene for this year's xmas card.
- e) The clerk was asked to speak to John Brown regarding the drains.

9) To Receive Questions from the Public:

- 1) It was commented about the speed of cars along the Farnborough Road. However it was felt there was nothing that could be done.
- 2) A suggestion was made to put the flag pole near the playground rather than on the green, due to the noise. It was agreed to firstly see the response at the fete.
- 3) A query was raised about the drain cover on the footpath by Spike's Cottage. It was agreed it was the landowner's responsibility, although this seemed to be in dispute.
