

South Warwickshire Rural Crime Coordinators

October 2016 Newsletter

Springfield Mind

Throughout September Lucy Lambert and local Police Community Support Officers have visited The Springfield Mind Peer Groups and worked with service users; discussing the fear of crime, promoting crime prevention awareness techniques and discussing concerns. Across Stratford-upon-Avon, Leamington Spa & Warwick 35 services users received support. Vulnerable Adult Packs were handed out promoting the Bogus Caller Scheme, along with signposting information.

Wellesbourne Health and Community Information Sharing Event

Robert Church took part in the Age UK Event in Wellesbourne, meeting local residents to provide crime prevention information and tips on staying safe to over 60 residents.

Good News As part of the Community Sustainability Project, where the Rural Crime Coordinators are encouraging residents to take steps to protect and mark property within their communities to help deter thieves we have now delivered 40 Property Marking Packs to community groups and Parish Councils across the District so look out for a Property Marking Event near you.

Working with local communities we can also celebrate four new Neighbourhood Watch Groups in Newbold on Stour, Blackwell, Darlingscott, and Tredington. If you would be interested in starting a Neighbourhood Watch Group in your area or would like to host a property marking event please contact us.

Twitter Themes @SDC_Safer

As part of our social media campaign we are tweeting crime prevention advice, tips and facts every day.

October's Weekly Themes are:

Keeping Tools and Machinery Safe, Fuel Theft, Home Security, Fly tipping, Metal Theft

Lots of tips and advice can be found on:
