Budget 2019/20: Trevor Gill circulated a draft budget (Appendix 3). The Parish Council has been advised to budget for election fees, estimated at £2-3k, should an election be required. The Parish Council was very mindful of the comments received when the budget for the current financial year was set and have managed to cover the costs of the elections due to take place in May 2019 by reducing expenditure in other areas. Over the next financial year, the Parish Council will continue to review all expenditure and will progress projects that will provide real benefit to residents. These will include work to The Reading Room, and we will use ring fence funds that have been set aside for these purposes. The Parish Council is very mindful that central government could impose restrictions on future precept levels and are keen to ensure that any restrictions do not adversely impact their ability to maintain the village and also to meet its financial obligations.

Scrutiny Update (Stratford-on-Avon District Council) – November 2018

The Overview and Scrutiny Committee (OSC) continues to undertake interesting work in a number of different areas:

At its October and November meetings OSC looked at the Council's new Industrial and Economic Strategy, Statement of Community Involvement (which looks at public consultation on planning issues) and approved a new Social Inclusion Statement following the recommendations of a working group.

OSC also received a quarterly performance monitoring report and questioned the Cabinet Member with responsibility for this area. This report showed that, in terms of both KPIs (Key Performance Indicators) and Corporate Strategy Objectives, the majority of targets are being hit by the Council. The Committee did challenge areas where targets hadn't been achieved including the time taken for Land Charge searches.

On 5th December the Committee will hear from Helen Peters (Chief Executive of Shakespeare's England) about tourism in the district and Cllr Wallace Redford (the county councillor who chairs the Health Scrutiny Committee at Warwickshire County Council) about local health issues. The latest developments with the Horton Hospital in Banbury, and the Coventry and Warwickshire Sustainability and Transformation Plan (STP) (the multi-year NHS plan for health and care services in the area).

A new Scrutiny 'Task & Finish Group' has also been setup to look at the Council's approach to preventing eviction of social and private tenants and resulting homelessness. This work will include looking at how partners such as Orbit Housing deal with these issues.

Upcoming OSC meetings will see both the Council Leader (Cllr Tony Jefferson) and the Warwickshire Police and Crime Commissioner (Philip Seccombe) attending to present reports and take questions.

Also, for your information I have received the following from Vale of The Red Horse Health centre practise manager: Alcester Health Centre, Budbrooke Medical Centre, Vale of The Red Horse Health Care Centres and St Wulfstan Surgery have formed a rural GP Network.

We are a collaboration of likeminded patient centric Primary Care providers who together want to ensure our patients get the best possible care whilst also offering sustainability and stability for our group of GP Practices in South Warwickshire. This is not a merger each practice retains its own identity and practice areas.
