Let It Snow

Oh the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let it snow let it snow let it snow.

It doesn't show signs of stopping,
And I brought some corn for popping,
The lights are turned way down low,
Let it snow let it snow let it snow.

When we finally kiss good night,
How I'll hate going out in the storm,
But if you really hold me tight,
All the way home I'll be warm.

The fire is slowly dying,
And my dear we're still good-bye-ing,
But as long as you love me so,
Let it snow let it snow let it snow.

Winter Wonderland

Sleigh bells ring, are you listening? In the lane, snow is glistening
A beautiful sight, we're happy tonight, Walking in a winter wonderland

Gone away, is the bluebird, Here to stay, is the new bird
He's singing a song, as we go along, Walking in a winter wonderland

In the meadow we can build a snowman, & pretend that he is Parson Brown,
He'll say "Are you married?", We'll say "No man",
You can do the job, When you're in town

Later on, we'll conspire, As we dream, by the fire
To face unafraid, The plans that we've made
Walking in a winter wonderland

In the meadow we can build a snowman, And pretend that he's a circus clown
We'll have lots of fun as he grows man
Until the other kids come knock him down

When it's snows, ain't it thrilling?
Though you know kids are chilling
We'll frolic and play, The Eskimo way
Walking in a winter wonderland

Snowman

Don't cry, snowman, not in front of me
Who'll catch your tears if you can't catch me, darling
If you can't catch me, darling

Don't cry, snowman, don't leave me this way
A puddle of water can't hold me close, baby
Can't hold me close, baby

I want you to know that I'm never leaving
'Cause I'm Mrs. Snow, 'til death we'll be freezing
Yeah, you are my home, my home for all seasons
So come on, let's go

Let's go below zero and hide from the sun
I love you forever where we'll have some fun

Yes, let's hit the North Pole and live happily
Please don't cry no tears now, it's Christmas, baby
My snowman and me
My snowman and me
Baby

I want you to know that I'm never leaving
'Cause I'm Mrs. Snow, 'til death we'll be freezing
Yeah, you are my home, my home for all seasons
So come on, let's go

Let's go below zero and hide from the sun
I love you forever where we'll have some fun
Yes, let's hit the North Pole and live happily
Please don't cry no tears now, it's Christmas, baby

My snowman and me
My snowman and me
Baby

A Spaceman Came Travelling

A Spaceman came travelling on his ship from afar
'Twas light years of time since his mission did start
And over a village he halted his craft
And it hung in the sky like a star, Just like a star

He followed a light and came down to a shed
Where a mother and child lying there on a bed
A bright light of silver shone round his head
And he had the face of an Angel, And they were afraid

Then the stranger spoke, he said "Do not fear
I come from a planet a long way from here
And I bring a message for mankind to hear"
And suddenly the sweetest music, Filled the air

And it went la la la la la la. la la la la..... la la la la.....
Peace and Good Will to all men; In the love of a child
And it went la la la.....
Peace and Good Will to all men; In the love of a child

This lovely music went trembling through the ground
And many were wakened on hearing that sound

And travellers on the road, the village they found
By the light of that ship in the sky That shone all around

And just before dawn at the paling of the sky
The stranger returned and said, "Now I must fly
When two thousand years of your time has gone by
This song will begin once again To a baby's cry"

And it went la la la la la

All I want for Christmas

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents underneath the Christmas tree
I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
Yeah

I don't want a lot for Christmas
There is just one thing I need
Don't care about the presents underneath the Christmas tree
I don't need to hang my stocking there upon the fireplace
Santa Claus won't make me happy with a toy on Christmas Day

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
You, baby

Oh, I won't ask for much this Christmas
I won't even wish for snow
I'm just gonna keep on waiting underneath the mistletoe
I won't make a list and send it to the North Pole for Saint Nick
I won't even stay awake to hear those magic reindeer click

'Cause I just want you here tonight
Holding on to me so tight
What more can I do?

Oh, baby, all I want for Christmas is you
You, baby

Oh-oh, all the lights are shining so brightly everywhere
And the sound of children's laughter fills the air
And everyone is singing
I hear those sleigh bells ringing
Santa, won't you bring me the one I really need?
Won't you please bring my baby to me?

Oh, I don't want a lot for Christmas
This is all I'm asking for
I just wanna see my baby standing right outside my door

Oh, I just want you for my own
More than you could ever know
Make my wish come true
Oh, baby, all I want for Christmas is you
You, baby

All I want for Christmas is you, baby
All I want for Christmas is you, baby
All I want for Christmas is you, baby
All I want for Christmas is you, baby
All I want for Christmas is you, baby

Fairy Tale of New York

Men

It was Christmas Eve babe
In the drunk tank
An old man said to me, won't see another one
And then he sang a song
The Rare Old Mountain Dew
I turned my face away
And dreamed about you

Got on a lucky one
Came in eighteen to one
I've got a feeling
This year's for me and you
So happy Christmas
I love you baby
I can see a better time
When all our dreams come true

Women

They've got cars big as bars
They've got rivers of gold
But the wind goes right through you
It's no place for the old
When you first took my hand
On a cold Christmas Eve
You promised me
Broadway was waiting for me

You were handsome

Men

You were pretty
Queen of New York City

All

When the band finished playing
They howled out for more
Sinatra was swinging
All the drunks they were singing
We kissed on a corner
Then danced through the night

The boys of the NYPD choir
Were singing Galway Bay
And the bells were ringing out
For Christmas day

Women

You're a bum
You're a punk

Men

You're an old slut on junk
Lying there almost dead on a drip in that bed

Women

You scumbag, you maggot
You cheap lousy faggot
Happy Christmas your arse
I pray God it's our last

All

The boys of the NYPD choir
Still singing Galway Bay
And the bells are ringing out
For Christmas day

Men

I could have been someone

Women

Well so could anyone
You took my dreams from me
When I first found you

Men

I kept them with me babe
I put them with my own
Can't make it all alone
I've built my dreams around you

All

The boys of the NYPD choir
Still singing Galway Bay
And the bells are ringing out
For Christmas day

Merry Christmas Everybody

Are you hanging up your stocking on the wall?
It's the time that every Santa has a ball
Does he ride a red-nosed reindeer?, Does a ton-up on his sleigh?
Do the fairies keep him sober for the day?

*So here it is, Merry Christmas, Everybody's having fun
Look to the future now, It's only just begun*

Are you waiting for the family to arrive?
Are you sure you got the room to spare inside?
Does your granny always tell ya, That the old songs are the best?
Then she's up and rock and rollin' with the rest

*So here it is Merry Christmas, Everybody's having fun
Look to the future now, It's only just begun*

What will your daddy do, When he sees your mama kissin' Santa Claus? Ab-ba

Are you hanging up your stocking on the wall?
Are you hoping that the snow will start to fall?
Do you ride on down the hillside, In a buggy you have made
And land upon your head, then you been slayed?

*So here it is Merry Christmas, Everybody's having fun
Look to the future now, It's only just begun*
